The screenshot shows the CAIKE main interface. The top navigation bar includes the CAIKE logo, a search bar, and several menu items. The '흥행예측요청' (Forecast Request) menu is highlighted with a red circle and a mouse cursor. Below the navigation bar, the interface displays various sections including '최신 트렌드 영화' (Latest Trend Movies), '작품 순위' (Work Ranking), and 'TV 화제성' (TV Buzz). The '작품 순위' section shows a list of movies with their respective ratings and cast members. The 'TV 화제성' section shows a table of TV programs with their ratings and cast members.

흥행예측 내용 입력

The screenshot shows the CAIKE forecast request form. The form is titled '흥행예측요청' (Forecast Request) and includes a '작품명' (Work Name) field with a '다음' (Next) button. Below this, there is a section for '제작하고자 하는 작품명을 입력해주세요' (Please enter the name of the work you want to produce), followed by a text input field and a '다음' (Next) button. The form also includes a '카테고리' (Category) dropdown menu and a '세부장르' (Sub-genre) dropdown menu. At the bottom, there is a '다음' (Next) button and a progress indicator showing '19 / 20'.
